Re: *Ex Parte* Presentations in MB Docket No. 06-189

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, Knology, RCN, US Telecom, OPASTCO, and the Coalition for Competitive Access to Content (CA2C), submits this notice of an *ex parte* presentation in the above-captioned proceeding.

On February 20, 2007, Felix Boccucci, Vice President, Business Development of Knology, Inc.; James Olson, Vice President Law and General Counsel, US Telecom; Steve Pastorkovich, Business Development Director, OPASTCO; Amy Mehlman, representing RCN, Martin L. Stern, Legal counsel for The Coalition for Competitive Access to Content (CA2C); and I, had a meeting on behalf of the referenced companies and organizations with Heather Dixon, Legal Advisor to Chairman Martin, and Krista Witanowski, Attorney Advisor, Office of Strategic Planning and Policy Analysis.

At this meeting we discussed data collection and related issues regarding vertical integration in the MVPD industry. The attached profiles of vertical integration created by the CA2C with publicly available information were presented with the request that the FCC use its resources and the process of the 2006 Cable Competition NOI to validate and expand this data. Internal file documents or other FCC resources may be particularly needed to validate the data from 1990 and 1994 that is being compared to similar data for 2006.

Respectfully submitted by:
